Folks - I have another NRDA Super Fund Call that I am on until 12 noon. Also will be out of office on Friday. So you two can work out the time and let me know.

Thanks and apologies but my #1 goal is to simply make sure the release gets through clearance chain despite weather which is causing a huge part of the area workforce to telecommute.

Will could be available from 2 pm to about 3:30 pm on Friday but Thursday afternoon would actually be better if we could do embargoed interviews then. Thursday he's available from about 2:30 to 4:30.

Let us know if there is a time that would work. Alternatively, we could do an embargoed interview Thursday night potentially.

I don't think 9 am will work since Will is going to be on a plane to Fresno at that time.

I'm not sure. I'm looping in Joelle as I know she touched base with Will on Friday and I'm not sure if this was confirmed or not.

“... Early this morning I walked out the front door and bent and picked up the morning paper. Cool air, distant traffic, a whiff of lilies from along the driveway, and in the park across the street, a woman loping along with a yellow Lab. After a heart operation, it is all indescribably beautiful.” ---- Garrison Keillor, Time Magazine, Aug. 13, 2001 after open heart surgery.
